

IF YOUR WELL RUNS DRY PLEASE USE OURS

A United Water program, UW Cares, can help when you need assistance in obtaining one of life's most basic needs – water. That's because we know a financial crisis due to a job loss, illness, casualty, or military service, can happen to anyone, even the most fortunate among us.

UW CARES

UW Cares is a nonprofit 501(c)(3) organization that can provide financial assistance if you're having trouble paying your water bill.

HOW DO YOU QUALIFY?

To be eligible, you must have made a good-faith payment of \$20 in the last 90 days and apply through an authorized UW Cares agency. Your application will be reviewed and processed by UW Cares to ensure that funds are distributed fairly and appropriately.
